DEPARTMENT OF CIVIL ENGINEERING
AND ENGINEERING MECHANICS

August 8, 2018

To whom it may concern:

Please accept this invitation to the **2nd Annual University of Rome/Columbia University Renewable Energy Summer Get Together for Students En Route to Summer Field Study Abroad** (event title pending). We are gathering experts in renewable energy, micro-grids and international development for a series of conversations and presentations, hosted by the Engineering for Developing Communities (EDC) course in the Department of Civil Engineering and Engineering Mechanics.

Date: Thursday, August 9th, 2018

Time: 9am to 12pm

Location: Columbia University, Mudd Building (Northeast corner of campus) Room 337

Schedule:

9:00 am	Host Introductions	Matt Sisul, PE, Lecturer, EDC Columbia
9:30 am	Intro to the Field Study Program	Dr. Andrea Micangeli, University of Rome
10:00 am	Renewable Energy Trend Analysis	Iana Aranda, Director, Engineering for Change
10:40 am	BREAK	
11:00 am	A word from the Private Sector	Brett Shere, Independent Power Producer, East Africa
11:20 am	RAM at MIT	Davide Fioritt, PhD Candidate, University of Pisa
11:50 am	Closing Remarks	Matt Sisul & Dr. Andrea Micangeli

Refreshments will be provided.

We look forward to an enlightening morning.

Matt Sisul, PE
